

AUCTION ROOMS

Auctioneers & Valuers since 1890

Monday 11th June 2018

Start time 10.30

This week sees some childhood memories with Spiderman Comics from the 1970's. Even earlier – a mechanical rabbit that could run on rails. An early model hay cart that would have no doubt been used for carrying squealing kids in the garden. Boxed Corgi trucks are more recent but all the more collectable as they are in mint condition. Also this week over 100 lots of tools, collectables and many good pieces of furniture in oak and pine.

Where we can, we offer a 24 hour warranty- so look out for 😊

Goods that are sold as seen will be marked with 😞
