

AUCTION ROOMS

Auctioneers & Valuers since 1890

Monday 23rd July 2018

Start time 10.30

This week's sale sees the start of three weeks of little gems; Leica the world renowned lens and camera company is out in force with lenses and equipment and more to come. For those tool 'nuts' a rare Prestons and Sons 9" Dovetailed rosewood insert smoothing plane will thrill the heart. Another heart warmer is the portrait of a young girl – full of mischief. 'Thinking' of mischief is a Rodinesque statue of a monkey. Some great furniture for students and flats, quality tools and boxes of collectables make up another great sale.

Where we can, we offer a 24 hour warranty- so look out for 😊

Goods that are sold as seen will be marked with 😞
