

AUCTION ROOMS

Auctioneers & Valuers since 1890

Monday 9th July 2018

Start time 10.30

Longcase clocks have always been a farmhouse favourite and William Porthouse of Penrith particularly sought after. This example is going to strike a note on Monday. Beswick have always been a hit with the character figures and these are great examples. Royal Doulton have made many figurines for many years - hunting out the rarities is the collectors dream. The German company – WMF have made many special commissions. This spirit kettle is a nice copper design by the sought after company. Some white goods, hundreds of tools, a selection of furniture make up a packed sale this week.

Where we can, we offer a 24 hour warranty- so look out for 😊
