

# AUCTION ROOMS

Auctioneers & Valuers since 1890

## Monday 13<sup>th</sup> August 2018

### Start time 10.30

The culmination of three 'Leica weeks' sees the camera bodies and a telephoto lens bringing to a close a great single collection that certainly got customers talking. Of the same high quality but this time audio – both Bang and Olufsen and Grundig are represented with an amazing pair of tower speakers to compliment the Beosystem. A sensitive, pastoral scene is one of many original art works and the ubiquitous enamel signs that keep turning up – ever popular. Also this week a Wemyss vase, great furniture and a selection of mowers, tools etc make up another super week at Carlisle.

Where we can, we offer a 24 hour warranty- so look out for 😊

Goods that are sold as seen will be marked with ☹️
