## Monday 26<sup>th</sup> November 2018

### Start time 10.30

Getting closer to Christmas we seem to get more Border Fine Art figures than normal and this year has started early with quite a few models in different lots – sheep, birds and others. Minton a name synonymous with quality made this elegant vase which is in great condition. The winner of the silver cup may have cherished this piece but it may be up to you to polish it. Attractive statement pieces of furniture always sell well and this practical storage chest from China in traditional style will look great in any house. Plenty of tools and white goods start the sale with collectables and furniture making up the rest.

Where we can, we offer a 24 hour warranty- so look out for 😊

Goods that are sold as seen will be marked with ☹️
